COMMENTS

These comments in MM Docket No. 93-114 are submitted by Channel Eleven, Inc., licensee of LPTV Station W11BF, Murfreesboro, Tennessee.

We support the Commission's proposals to modify their rules to (1) adopt a more lenient standard for acceptance of LPTV applications, (2) narrow the category of LPTV facilities changes that are classified as "major", and (3) permit licensed LPTV stations to be assigned four-letter call signs instead of the present five-character call sign consisting of letters and numbers.

We urge the Commission to adopt Option 2 as to the assignment of four-letter call signs to licensed LPTV stations. Option 1 seems to be too complicated to be practicable, whereas, Option 2 would be simple in use and understanding.

Very truly yours,
